

The DAG The CIA

*"Skunk Of The American
Diplomatic Underworld"*

By R. K. KARANJIA

● "TO BE CHOSEN FOR A SMEAR ATTACK BY THIS CONTEMPTIBLE ORGANISATION IS AN HONOUR FOR ANY NATIONAL LEADER OR CAUSE," said the President of a great revolutionary African country of the U.S. Central Intelligence Agency to me some time ago. FOR IT REPRESENTS THE LOWEST SCUM OF DIPLOMATIC UNDERWORLD OPERATED BY THE DIRTIEST HUMAN SKUNKS.

That about sums up the CIA and the human blood-

hounds who run this agency. It was the recent American operation—or rather, abortion—in Cuba that exposed Allen Dulles and his CIA racket to international contempt, though BLITZ readers can claim the advantage of intimate knowledge of this American version of the notorious German Gestapo long before the Cuban explosion.

Bloody Record

It was BLITZ that exposed the dagger of the CIA behind the civil wars and subsequent divisions of Korea and Indo-China.

murder, to transform the world into a rotten borough of the US State Department.

Over here, on our own land, BLITZ found the dagger of the CIA sunk deep into the flesh of our infant Republic, and exposed it as such.

BLITZ is BLITZ that he read the story of how during the first Kashmiri invasion of Kashmir, the crack brigade of tribal raiders was led by a CIA agent, Brigadier General Robert A. Hall, in Indian turbans and pyjamas.

When CIA hounds set upon the land of Kashmir, Robert A. Hall, and his crack brigade of tribal raiders, was the first to war against the people of this land, the American Embassy.

Defence Sabotage

During the Thimayya incident and recent attempts at the subversion of our Defence arm, BLITZ found the clock and dagger of CIA in operation: BLITZ exposed Thimayya's biographer, Hampar Bham, as a CIA-man working in India under cover of an American Foundation.

The conspiracy of character

FREE...FRANK

SATURDAY, JUN

● INTEGR

At a time when linguistic unity of our land and even mobilised to propagate that India cannot but welcome Prime Minister to summon a national convention to tackle the problems of communal integration.

Only a dynamic consciousness sunk deep in the minds and hearts save this country from going the breaking up into so many different a national purpose there exists to be an almost holy mission by History and Destiny, but dormant or dead to this might.
